**OCTOBER 9-11, 2009**

PROVEN. POWERFUL. NOW IS THE TIME.

## Special Guest Speakers Just Announced!

In 2002, Herbalife welcomed Bea and Ronald Bos as the 19th members of the Chairman's Club.

**Bea & Ronald Bos**  
Chairman's Club Member

In 1991, Bea discovered Herbalife and experienced wonderful results from the products. Originally in sales and marketing, she immediately understood the business potential of Herbalife and became a Distributor. After a year, she attended Extravaganza, where she "saw the big picture" and consequently quit her other job. In her first full-time year with Herbalife, Bea qualified for Global Expansion Team, then Millionaire Team and finally, President's Team in a meteoric rise. On a sailing trip for the 10 best entrepreneurs in her area, Bea met Ronald, CEO and founder of a couple of IT companies. By combining his skills, vision and business experience with Bea's, their Netherlands organization exploded. Since 1999, the Netherlands has over 21 President's Team members. We congratulate Bea, Ronald and their organization on their phenomenal success!\*

**David Heber, Ph. D.**  
Chairman, Nutrition &  
Scientific Advisory Boards

David Heber, Ph. D. serves as chairman of Herbalife's 12-member Scientific Advisory Board comprised of world-renowned scientists, and its Medical Advisory Board, attended by leading scientists and medical doctors. The boards support the company's internal product development team by providing expertise on obesity and human nutrition utilized in product education and marketing materials as well as conducting reviews and providing advice on product research and development.

Heber's main research interests are obesity treatment and nutrition for cancer prevention and treatment. He is the director of the Center for Human Nutrition at the University of California, Los Angeles\*. Heber has been on the faculty of the UCLA School of Medicine since 1978, and is currently professor of medicine and public health and the founding chief of the division of clinical nutrition in the department of medicine.

He directs the National Cancer Institute (NCI) funded clinical research unit and the National Institutes of Health (NIH) nutrition and obesity grants at UCLA. For five years, he also directed the NIH-funded UCLA Center for dietary supplement research in botanicals.

Heber is included in "The Best Doctors in America" and "Who's Who in America." In addition to writing over 70 peer-reviewed scientific articles and two professional texts, he has also written four books for the public: "Natural Remedies for a Healthy Heart," "The Resolution Diet," "What Color is Your Diet?" and "The L. A. Shape Diet."

Heber holds a B.S. in chemistry, Magna Cum Laude, UCLA, 1969; M.D. from Harvard Medical School, 1973; and Ph.D. in Physiology, University of California, 1978. He is board certified in internal medicine and endocrinology and metabolism by the American Board of Internal Medicine and in clinical nutrition by the American Board of Nutrition.
