

EXTRAVAGANZA

BANGKOK • MAY 6-8, 2011

The 2011 Asia Pacific Extravaganza proudly welcomes one of the legends of Herbalife!

Leslie Stanford Founder's Circle Member

Former dental hygienist Leslie Stanford became an Herbalife Independent Distributor because of the incredible business opportunity. "My back was against the wall, and I had to make money to pay some bills that I had," said Leslie, who is originally from Calgary, Canada. She answered an ad in the newspaper, attended a Herbalife Opportunity Meeting (HOM) and started selling Herbalife® products for immediate cash flow.

Within two weeks, she had made enough profit to pay off her bills.

"Herbalife opened me up to a whole new world," she said. "My passion now is to show people that they have options in their lives for better health and for financial independence."

"There's so much more to this business than the money,"

Leslie explains. "What you learn while working the Herbalife business around the world could not be taught at any university. I love seeing people succeed against all odds, and witnessing the strength of the human spirit when given a mission and a vehicle to accomplish it. This is what inspires and motivates me. I love being a part of the Herbalife family, where we have a collective vision that could not be accomplished on our own. And...we are just getting started!"*
