This is an exclusive opportunity to spend quality time at the Extravaganza with Herbalife Chairman & Chief Executive Officer;

MICHAEL O. JOHNSON
&
Herbalife Executives

Qualification: February to June 2008

Open to all Fully Qualified Supervisors (FQS) who achieved a minimum of 5,000 Total Volume Points in any four consecutive months within the qualification period and the Top 10 Volume Producers and Top 10 Recruiters of that group will qualify to attend

WILL THIS BE YOU?

I will not forget what happened in 2007 in my entire life. Just trying to achieve every qualification for the Singapore Extravaganza 2007, I could step up to Active World Team and then Global Expansion Team.

One of the surprising things is that my downline came to respect me since I met MOJ face to face at that Breakfast, and they have started the Herbalife business more seriously than ever. I can say that my achievement could influence their motivations strongly, or, I should say that my all achievements were made by not only myself but also my downline. I learned the Win-Win philosophy from Herbalife for the first time in my life. Now I am a qualifying Millionaire Team Member and planning to take 60 downlines to the Bangkok Extravaganza 2008 for their dreams will come true!

Mayumi Kawamura, Global Expansion Team, Japan.

"The 2007 Extravaganza in Singapore was by far the best Extravaganza ever! It was worth it! Qualifying for the Top Achievers' Breakfast and having that chance to be with the Chairman & CEO himself, Michael O. Johnson and his Executives was a dream come true for us. The special treatment we got for being part of an elite group of achievers in the region makes it an experience that we will always cherish."

Gina Lyn and Clyde Abbott, Millionaire Team Member, Philippines
