

## What an unbelievable weekend and what an exciting time to be a Herbalife Distributor!

17,000 independent Distributors from over 45 countries around the world helped make the 2008 EMEA Extravaganza a **sell-out event**. 3,000 attended the TAB Team Meeting and over 2,500 danced the night away to the incredible sounds of live band *Love Train* whilst enjoying classic Spanish food at the Qualification Party in the beautiful Poble Espanyol. 380 leaders gathered together for a special President's Team Dinner and **almost 600** qualifiers attended the exclusive Active World Team Lifestyle Experience at the opulent Casa Llotja de Mar, trying their luck in the casino and enjoying traditional Spanish entertainment.

The theme for the 2008 Extravaganzas was "**BELIEVE. ACHIEVE.**" This carried through the entire training programme which delivered information, inspiration, fun and excitement. Key messages from the speakers included going back to basics, daily consumption of products and working together with integrity and respect to grow your business. As always, there were some very special recognition moments for many top achieving Distributors, including **29** top volume earners and sponsors who attended the "Simply the Best Lunch" with **Michael O. Johnson**.

The much anticipated H<sup>3</sup>OPro isotonic drink was launched to great excitement - the first product to be developed in Europe for the EMEA region, providing Distributors with a brand new retailing and recruiting opportunity targeting sporting enthusiasts and professionals. Every Distributor who attended the event received a box of this incredible new product **FREE** in their registration pack!

Sunday was *wear the brand* day and the venue sparkled with the Herbalife branded Swarovski crystal t-shirts – a sell out at this year's event

Under the heat of the Barcelona sun over **1,500** Distributors and staff took part in the HFF Olympic 5K Run to raise funds for the Herbalife Family Foundation/China Relief Fund.

Every attendee received a special registration pack and a booklet loaded with information; including the Events Calendar for 2008-2009 and all the promotions and product literature on our exciting new product, H<sup>3</sup>OPro. **PLUS** every Distributor who attended this year's Extravaganza will receive a special post event pack with a DVD of the Extravaganza highlights and a signed photo of Jim Rohn.

Thanks and congratulations to all the speakers, especially **Fernando 'Nani' Rancel**, **Rodica Macadrai** and **Leon Waisbein** who presented his Fresh Start Breakfast strategy and **Pascal Mercier** who talked about using the internet to expand your business. Thank you also to the Chairman's Club and 20K and 30K Members from the Extravaganza Committee Group who made the Barcelona Extravaganza such an incredible success!
