"...it was the best Extravaganza yet! The beautiful Palau Sant Jordi filled with 17,000 Distributors from all around the region. It was breathtaking and the Polish sector was a blast – full of white and red flags, red jerseys and the will to learn something new! The whole atmosphere was magic – both entertaining and educational. I'd like to thank all of you – because you made it happen – I am ever so proud!"

**Eva Lawrence - President's Team, Poland**

"The Active World Team Party was unforgettable; a beautiful place with Spanish dancing, delicious food and wine. It's the place where we could meet, communicate and take pictures with the greatest people of Herbalife, a place where one could set new goals. Such an event always stimulates the business growth and leads to a change of the pin. Don't miss such events!!!"
