HOW to achieve, President's Team Level in 3 years

- To qualify for GET Team, all you need to do is qualify 7 first line Supervisors
- To qualify for MILLIONAIRE Team, you need to qualify 15 to 25 first line Supervisors
- To qualify for PRESIDENT'S Team, you need less than 50 first line Supervisors
- The key to a successful business is retail. If you have a large downline organization but don't have a strong retail base, then your business will not be strong long-term.

How to qualify One Supervisor

- Once you have the answer, you just need to it 50 more times!
- The plan is all about the numbers
- If you are motivated but you do not have a plan, you may be happy, **but you may never be a President's Team Member!**

The Secret

- Attend every event and...
- **Train your downline** how to retail through a good training system. Every Distributor must retail a minimum of 1,500 VP per month
- **Do 40 business presentations** each month
- **Recruit 8-10 new Distributors** each month
- **Sponsor 2 new Supervisors** each month
- Within 3 years, **you'll have more than 50 Supervisors!**
- You will be a **newly qualified President's Team member**

Welcome to the Team!
